

Shooting a Mammoth

When six woolly mammoths wander to the edge of a small Indiana town, some react with wonder, others with fear. All will be profoundly changed by the experience. Dr. David Wrangel has followed the mammoths from their original home on the Canadian tundra, becoming a celebrity in the process. He fears that trouble is inevitable as they come ever closer to populated areas. Jay Huck owns the abandoned mint field where the mammoths have chosen to graze. The sinister Oberhausen twins are eager to kill the mammoths, and when the people of New Porter start getting mysteriously ill, they gain surprising allies. In the tradition of Jurassic Park, Shooting a Mammoth explores what happens when modern people come face to face with wondrous animals long thought to be extinct. Ancient instincts are awakened in this thrilling and strangely believable tale.

Even a head shot failed to bring it down immediately, but after a few more moments the mammoth slumped forward onto the ground andAddress, Suggest an address Mammoth Lakes Shooting Range, Mammoth Lakes, California. 62 likes 179 were here.
