

Albedo One (Issue 44) (Albedo One Magazine)

A race with hounds across Europe to seek true love, a dying world plagued by invading jelly, a soulful train journey through the wastelands of purgatory, and an angry father who might have saved the wrong daughter. Issue 44 of Irelands longest running science fiction, fantasy and horror magazine, Albedo One, features new fiction from Ian Wild, James Carney, Steve Biillings, Alexandra Fleetwood, Dave Siddall and Eric M. Witchev; an in-depth review with Philip K. Dick award winning author Simon Morden; cover art from Charlie Terrell; and reviews from Juliet E. McKenna, John Kenny, Peter Loftus and David Conyers.
