

“The fast-paced story line never slows down... Kearney turns up the Florida summer heat with this exhilarating, fiery tale.” Harriet Klausner, *The Mystery Gazette* In a battle against a ruthless enemy, all they have is each other. Kaylin Danner gave up everything when her mother died. Her dancing career. Her life. Her future. With her dance studio, she helps pay the bills and raise her younger sisters. When an explosion kills her father, Kaylin is suspicious of foul play. Suddenly, strangers begin asking about her father’s business secrets, their home is invaded, and the family attacked. And now Kaylin has her hands full holding the family together. Who can she turn to? Who can she trust? Sawyer Scott was her dad’s partner. He wants to carry on their research, research which could change the world, literally. But Kaylin fears continuing her fathers work increases the danger to her family. As they both grieve, Sawyer shows Kaylin how dependable, thoughtful, and protective he really is. Resisting the brilliant and sexy scientist is difficult. And although Kaylin tells herself she can face the hard times alone, she slowly lets down her guard. Yet even as she falls into a working partnership with Sawyer, Kaylin questions her own judgment. Is trusting Sawyer a good decision? Will finding the missing formula lead them to her fathers killer? Can she stop dancing with fire long enough to save her family and herself? Kearney, a native of New Jersey, writes full time and has sold books to the industry’s top publishing houses – Grand Central, Tor, Simon & Schuster, Harlequin, Berkley, Leisure, Red Sage, and Kensington. As an award winning author, Kearney earned a Business Degree from the University of Michigan. Kearney’s knowledge and experience span the romance genre, and her fifty plus books include contemporary, romantic suspense, historical, futuristic, science fiction, and paranormal novels. She resides in a suburb of Tampa – with her husband, kids, and Boston terrier. Currently, she’s plotting her way through her 54th work of fiction.
