

The Tyrant (Raj Whitehall Book 8)

On the planet Hafardine, civilization must rediscover progress or collapse. Adrian, guided by disembodied electronic mentors from space, has brought gunpowder and steam power to the Kingdom of the Isles to break the stranglehold of the Empire. But he will have to avoid being killed by the suspicious King he serves, by the barbarians he must recruit, and even by his insanely vengeful brother. At the publishers request, this title is sold without DRM (DRM Rights Management).
