

Can you find seven dogs in this picture of a castle? How about two little girls in a relatively small neighbourhood? Dee and Mary discover a way to hide in plain sight so that Dee doesn't always have to go home and babysit or do household chores for her mother. For awhile, it's great fun to sit apart from the rest of the world and watch them unawares. But it's not exactly normal. It hadn't occurred to Dee and Mary that what they were doing would have consequences...
