

Frank Kingdon Ward's Riddle of the Tsangpo Gorges

A new, fully-illustrated edition designed to celebrate the 75th anniversary of this classic account of botanical exploration in Tibet in 1924-5. Little explored and virtually inaccessible, the Tsangpo Gorge in south-east Tibet is the worlds deepest. Through it twists the Yarlong Tsangpo, Tibets great river, emerging far below on the plains of India. This is the story of its exploration and the flora and fauna found there.

Frank Kingdon Ward's Riddle of the Tsangpo Gorges has 7 ratings and 2 reviews. Santanu said: This is my second read of this nice book. This time in E booFrank Kingdon Ward's Riddle of the Tsangpo gorges : retracing the epic journey of 1924-25 in South-East Tibet / original text by Frank Kingdon Ward edited byFrank Kingdon Ward's Riddle of the Tsangpo Gorges : retracing the epic journey of 1924-25 in south-east Tibet / original text by Frank Kingdon Ward edited byLittle explored and virtually inaccessible, the Tsangpo Gorge in south-east Tibet is the worlds deepest gorge.
