

Empyrion II: The Siege of Dome

Traveller, debt-dodger, itinerant critic, and writer of history books nobody buys, Orion Treet is astounded to be invited to accompany a top-secret mission: to observe and document an extra-terrestrial colony on a newly discovered planet. But the paradise planet Treet and his companions are promised is a nightmare world locked in a death spiral of hate, fear, and death. The explorers arrival rekindles an impossibly ancient feud and deadly conflict between two highly evolved civilizations. It is the struggle for the future of a world, a battle where there can be no spectators. Everyone must choose a side.
