

Fates Haven Trilogy Box Set

The Fates Haven Trilogy Box set combines Fates Haven, The Enemy Within, and Sins of the Father into a single collection. 350 years have passed since The Great War began. Haven was built to be the savior of mankind. But now, Gabriel sees it as a desolate crypt. A place where hope is lost. Gabriel never had faith of stepping foot on Earth. He accepted his fate: to die within Havens walls. But when Gabriel stumbles upon Havens darkest secret - a secret buried beneath death and lies - everything changes. Freedom is just within his grasp. He must decide if the illusion of safety is worth sacrificing a chance of reaching Earth or if it is more important to risk his life on the faint hope of freedom. A single decision thrusts Gabriel into a struggle where he meets Bishop and Varia, two prisoners of an on-going war. Bishop is missing his memories. Theyve been replaced by something known to him as The Void. He craves answers. Answers he believes involve Gabriel. With Gabriels help, the final battle is on the horizon. Hunted and eager to fight back, Varia has vowed to destroy her captors no matter the personal cost.
