

# Handbook of Trauma: Pitfalls and Pearls

his pocket manual succinctly summarizes the dos and donts in management of every type of trauma. The manual is a condensed, portable version of Management of Trauma: Pitfalls and Practice, Second Edition, and is designed for rapid, at-a-glance reference. Chapters cover all types of trauma, including adult, pediatric, blunt, and penetrating trauma, as well as surgical critical care. Each page has highlighted Axioms and Pitfalls, and each chapter ends with lists of Frequent Errors and Summary Points. A detailed index helps readers find information quickly
