

Search the Sky

Search the Sky is a satirical science fiction novel written by Frederik Pohl and Cyril M. Kornbluth and first published in 1954 by Ballantine Books. What is the fate of the colonists who went out from Earth to settle the far planets beyond our universe? Space-ships have been unable to evoke radar responses from these planets, and in a novel as well-written as it is ingenious, one man starts out from Halseys Planet to find the answer. If there is one.
