

Chapel on the Moor (Odds Bodkins Mysteries Book 2)

Instead of the secretly planned mulled wine and mince pies for their coffee stop, a group of local ramblers discovers a severed arm in the ruins of a Dartmoor chapel. Within a few hours, five more body parts are discovered on well known Dartmoor sites. In this second volume in the Odds Bodkins Mystery Series, DI Bodkin once again uncovers hidden secrets in the Devon village of Coombe Gilbert, revealing a paedophile ring stretching across three generations of children in foster care.
