

As the last descendants of Earth struggle to survive beneath the surface of a distant water planet, one mans discovery will lead him on a journey of redemption while he fights to save whats left of his world. Jake Stone is a young man haunted by his past. When he reluctantly accepts a job to help pay for a transport submarine he inherited but doesnt want, he inadvertently awakens an ancient and terrible power. Its arrival triggers a chain of events that could destroy whats left of the human race or be the key to its future. But, is it a future hes willing to fight for, let alone die for? Novum: Genesis is the first book in the Novum series.
