

Afterworld: RecruitZ (The Afterworld Series Book 1)

After surviving the plague that wiped out billions, Rebekah wants nothing more than to help rebuild the Afterworld and grow old with the love of her life, Gavin. But the moment he's ripped from her arms, she realizes this new world is more deadly than the old one and she wants answers. Armed with nothing more than revenge and the desire to destroy the ones who stole the man she loves, she stumbles upon an underworld where the undead are used as pawns, and human life is nothing more than a nuisance. Rebekah's life becomes a game of chance and survival, but it isn't until she runs into Preston at a local dive bar that she realizes she might not be alone in the hunt for answers. United by heartache and tragedy, Preston and Rebekah are determined to find out who wants the undead to rise again. Something evil has awakened in the Afterworld, and they soon find themselves the target of this new breed of criminal. An exciting start to a post-apocalyptic thrill ride filled with mystery, suspense, and romance.
