

In the Bones

Welcome to Albertsville: Population 397 and falling. When Ryan Cassidy claims a house left to him by his estranged grandparents, he becomes tangled in the mystery of a town crushed by a deadly secret spanning generations. The town's power core, which includes the reeve, his council members, and the local police, smother opposition with deceit, brutality and fear. They will stop at nothing to keep the horror they've committed buried. A severe winter storm leaves Albertsville snowbound a trap only the dead can hope to flee and Ryan becomes a liability that must be silenced at any cost. The answers to the town's mystery and its salvation are hidden...In the Bones.

Ellen, a 20-year-old with anorexia nervosa, goes on a harrowing, sometimes funny journey of self-discovery at a group home run by an unusual - 2 min - Uploaded by NetflixEllen is an unruly, 20-year-old young woman with anorexia nervosa who spent the better part of To the Bone.
