

Soldiers! A Chronicle from the 31st Century (Part Two)

When Close Encounters Are More Than a Little Uncomfortable Humanity has become peaceful after centuries of bloody, high tech space wars. War is now a horror from the past until aliens arrive with 14,000 ships. They've come to wipe humanity from the universe and repopulate the planets with their own life forms. Mankind must learn to fight once more. This time for its very survival.
