

Stewart's Bug Out: Prepper Novelettes

I was contacted by a number of readers that wanted to inquire about what had happened to their favorite characters that appeared in the Prepper Trilogies. I undertook the task of answering this as a thank you to my dedicated readers by beginning a series of Novelette so that the characters could give voice to their own experiences from their differing personal perspectives. These are short little updating features that give my readers the rest of the story that popular demand requested. I myself as an author am fascinated that the story wishes to be continued. This first installment finds our favorite stranded Englishman Stewart, stranded in Atlanta and meeting up with the rescued Melanie after a solar storm has wiped out technology for years to come. The spoiler is they eventually find their way to our also favorite heathen of the dark side of technology failure, the lovable character named Dump Truck.
