

How far would you go to make your dreams come true? Quinn Powers had everything a man could want: a loving wife, a beautiful home, and a successful career. After his wife dies, the young widower struggles to embrace a new destiny. After a decade, only his closest friends can still see the warm, friendly person Quinn had been. That is, his closest friends, and the women to whom Quinn refers as Dream Seekers. Chicago attorney Skylar Smart has had her own share of hard knocks. She's overcome emotionally absent parents, a philandering husband, and cancer. Now, Skylar's illness has returned and is diagnosed as incurable. But, what seems to be the end becomes her last chance at a new beginning. With nothing to lose, Skylar resolves to live her remaining days on her own terms. When a friend tells her about Life Dreams, Skylar becomes a Dream Seeker and begins a journey of self-discovery and healing she'd never imagined possible. But can Quinn change Skylar's fate ... or, his own?
