

The Killing Hour (Christchurch Noir Crimes)

Imagine waking up covered in blood - but its not your blood. The morning paper reports that two young women were brutally murdered. You recognize their names. Pieces of the night before come back to you through the haze. And now youre the suspect in their grisly deaths. Welcome to Charlies world. On the run, Charlie suspects a man named Cyris, but no one believes that Cyris exists. Not the police and not Charlies ex-wife Jo, though she wants to trust that the man she once loved is innocent. Soon, Charlie has Jo bound and gagged in the trunk of his car, fleeing across the countryside while the killing hour approaches yet again.
