

## A Candlestick Christmas (The Doorknob Society Saga)

With Christmas cheer in the air, Chloe Masters is on a new case and this time she is working alone. As she keeps her partner James Nightshade in the dark, she hunts down the elusive mastermind behind a series of robberies that have plagued the Old Kind this holiday season. But the secret she is keeping from Nightshade may be too much for even their relationship to withstand. If she is correct about the identity of the thief, it could be the one person that can destroy Nightshade. Will she find out the truth before its too late, or will Chloe have to say goodbye to Nightshade forever? A Doorknob Society Saga Novella
