Even the devil was once an angel... Still reeling from a devastating betrayal, and a shaky relationship with Ethan, her Guardian Angel, Samantha reluctantly seeks comfort with Damien - the original fallen, the devil whispered about and part of the original deception of Adam and Eve. She learns of the real reason for his existence a sad and twisted reason that would force even the most ardent Bible thumpers to show sympathy. He agrees to help Samantha fight Sebastian but what she doesn't know is there is a price for Damien's involvement. A price she would never allow. The only problem is, she isn't the one making the sale.
